

CARING FOR SENIOR CATS

BE OBSERVANT

KEEP A CLOSE EYE ON YOUR CAT'S EATING, DRINKING AND TOILET HABITS

DRINKING A LOT OF WATER AND/OR URINATING MORE OFTEN CAN INDICATE KIDNEY DISEASE OR DIABETES

WEIGHT

OVERWEIGHT OR LOSS OF WEIGHT SHOULD MEAN A TRIP TO THE VETS

COMFORT

MAKE IT EASIER FOR YOUR CAT TO REACH A COMFORTABLE WARM PLACE TO LIE

VETERINARIAN

REGULAR CHECK UPS AT THE VETS ENSURE ANY ILLNESS IS SPOTTED EARLY

ATTENTION

DON'T BE TOO BUSY TO SPEND TIME WITH YOUR CAT

EMOTIONAL COMFORT WILL HELP HER HEALTH AND WELL BEING
