

THE DANCE OF THE DOG LEASH

1. Get the leash.
If your dog jumps
or barks...

2. Put the leash away,
turn around and
IGNORE
your
pooch.

3. After no more than
1-3 min start again.

1. If your pooch is calm
and sitting...

2. Attach the leash
and go for a walk!

Remember: The walk is the reward,
you do not need to use treats.
